1. Socialist Unity Party (SED) functionaries in the Zehlendorf town district discussed the following points at a meeting on 10 April 1950:

a. The people of East Berlin and the Soviet Zone of Germany are reluctant to provide quarters for FDJ attending the Berlin Whitsun rally.

b. It was therefore decided that billeting commissions of three or four SED members would be appointed. It will be the duty of these commissions to inspect all houses in the area around Berlin and specify, on stickers pasted on the doors, the number of FDJ who can be accommodated.

c. Despite the possibility that such a measure will create anger and resentment, the SED will execute its billeting program and will consider any interference as sabotage.

d. It is planned to conduct a quiet campaign for quarters in the western sectors of Berlin, with the FDJ attending the Whitsun rally disguised as family guests.

2. a. It was learned on 3 April 1950 that the Brandenburg FDJ headquarters fixed the quota of Zauch-Belzig county youths to be sent to the Whitsun rally at 2,400 FDJ, 500 Sports participants and 100 Young Pioneers.
- b. The FDJ in Zauch-Belzig county must raise a fund of 45,000 eastmarks to finance the Whitsun rally.
- c. FDJ and Sports participants from that county will go to Berlin by special train (1,800 youths), by truck (600 youths, 30 per truck) and hiking groups (500 youths). The Young Pioneers will move to Berlin exclusively by rail some days before the Whitsun holiday, when the Berlin "Children's Republic" will be opened.
